

The 9th Junior International Conference on Cutting-Edge Organic Chemistry in Asia (Junior ICCEOCA-9)

Poster Presentation Award

Jun Ueda
Chiba University
PB-6

Silver Carbene-mediated Regioselective Hydroamination Reaction and Computational Studies

This is to certify that you have been selected to receive an oral presentation award under the 9th Junior International Conference on Cutting-Edge Organic Chemistry in Asia 2019.

Professor Young Ho Rhee
Chair of Junior ICCEOCA-9
September 25th, 2019
